# ABOUT MAHATMA EDUCATION SOCIETY

Mahatma Education Society embarked upon its vision of “Education for all” with the formation of Chembur English High School in Mumbai more than 50 years ago. The intuition, dedication, global outlook, tenacious struggle, and undaunted spirit of its founder, Dr. K. M. Vasudevan Pillai, and the forward-looking, untiring energy of its Secretary, Dr. Daphne Pillai, has now transformed Mahatma Education Society into a vast educational organization. It is spread over in six elegant campuses at Chembur, Rasayani (Raigad District), New Panvel (Sec 8), New Panvel (Sec 16), Borivali (Gorai), and New Panvel (Sec 7).

The society now manages a total of 48 Educational Institutions in Six Elegant Campuses across Mumbai and Navi Mumbai providing quality education from Kindergarten to Postgraduate professional courses in the faculties of Engineering, Architecture, Management, Arts, Science, and Commerce to more than 30,000 students with 2,000 Teachers and 1,500 members of Non-Teaching Staff.

Institutions managed by Mahatma Education Society are affiliated to the University of Mumbai, approved by AICTE / COA / NCTE / MSBTE, recognized by the Directorate of Technical Education (DTE), Government of Maharashtra, and accredited by competent authorities such as NAAC, NBA & NIRF.

## MISSION

To develop professional managers with respect for environment and responsible leadership in quest of excellence in the Indian and global perspective.

This objective is fulfilled through education, practical training and interaction with industry and social organizations.

## VISION

A revolution is taking place in the world because of globalizing economy, advent of information technology & aggressive competition. Knowledge and understanding imparted through management education and training should be able to create competitive manager for the international market.

In an emerging global digital environment, the millennium managers should acquire zero time capabilities, the ability to make changes with the speed of light and act swiftly upon them through practical training and application to face the challenges of a "borderless world".

### **Dr. K.M. Vasudevan Pillai**

**Chairman and CEO, MES**

We are committed to providing a holistic education based on new generation academics, that creates not just powerful global career options for our students but one which empowers them to become key contributors to the society and community and environment in which they live. We strive to achieve nation building through character building and do so through an approach of mentoring.

### **Dr. Daphne Pillai**

**Secretary, MES**

In this fiercely competitive world, success has sever dimensions far widespread than the vortex of academia, spreading it's tentacles into diverse fields in which one has to be adept at Pillai's has always been to create a climate conducive to endeavor so that students can unleash their untapped potential.

# ABOUT PILLAI HOCL EDUCATIONAL CAMPUS

In 2007, Mahatma Education society established the Pillai HOCL Educational Campus situated in the township of Rasayani, Navi Mumbai; invited by Hindustan Organic Chemicals, a large public sector undertaking, to enter into a unique public – private sector partnership and to develop an educational township catering to the comprehensive academic requirements of the region of Raigad & Navi Mumbai. It was a first-of-its-kind alliance in the history of Indian education.

The first college established in the campus in 2008 was the College of Arts, Science and Commerce. Over the years, the Campus expanded rapidly and is now home to an Architecture College, an Engineering and Polytechnic College, a Management Institution and an Education & Research College. We are proud to say that it is now one of the biggest Educational Campuses in India.

**Our mission is not just to prepare you for a career, but to equip you to create a legacy.**

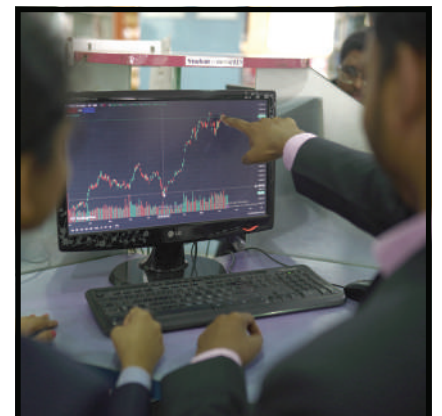

# HOLISTIC DEVELOPMENT

**“Darkness is not opposite of light, it is lack of photons.”**

**- Orrin Woodward**

It is a transformative experience that our students experience here, where we believe in cultivating holistic development for our MMS students. Our commitment goes beyond academics, focusing on different aspects for our student’s holistic development. The three essential pillars that form the core of our educational philosophy.

## Balanced Confidence:

Confidence is the cornerstone of success. We empower our MMS students with the skills and mindset needed to navigate the complexities of the business world with assurance. Through interactive workshops, personality development sessions, and real-world simulations, we instill the confidence to face challenges head-on. Our holistic approach ensures that academic prowess is complemented by the ability to communicate effectively, lead with conviction, and make informed decisions.

- **Public speaking forums and workshops**
- **Leadership development programs**
- **Personality enhancement sessions**

## Industry Readiness and Corporate Conduct:

Our MMS program is designed to bridge the gap between academia and industry expectations. We focus on practical knowledge, industry insights, and professional ethics to prepare students for the corporate landscape. Guest lectures, internships, and networking opportunities provide first-hand exposure to the dynamics of various industries. With an emphasis on corporate conduct, we mould responsible professionals who are not just competent but ethical leaders.

- **Industry-oriented curriculum**
- **Internship and corporate exposure**
- **Ethical leadership seminar**

## Sensitivity Towards Society:

We believe in being centred leaders who understand their role in society. Our MMS program encourages students to develop a sense of social responsibility, fostering empathy and awareness. Through community engagement initiatives, social impact projects, and awareness campaigns, we instill in our students the importance of giving back to the community and contributing positively to society.

- **Social responsibility projects**
- **Community service initiatives**
- **Sustainability awareness programs**

# COGNITIVE DEVELOPMENT

We understand the importance of cognitive development in shaping the minds of tomorrow's leaders. Through on-field work and industrial visits, our students gain invaluable practical insights into real-world scenarios, fostering critical thinking, problem-solving skills, and industry knowledge that are essential for success in today's competitive landscape.

Our approach equips students with the essential skills to thrive in the ever-evolving world:

- **Develop critical thinking skills:** Analyzing complex situations and drawing informed conclusions.
- **Hone their problem-solving abilities:** Tackle real-world challenges and devising innovative solutions.
- **Gain industry knowledge:** First-hand exposure to various sectors, giving them a competitive edge in their future careers.

**Pillai HOC Institute of Management Studies & Research empowers students to become:**

- **Independent thinkers:** Analyze information critically and make informed decisions.
- **Resourceful problem-solvers:** Navigate challenges with creativity and ingenuity.
- **Industry-ready professionals:** Posses the knowledge and skills sought after by leading organizations.

**"Nature holds the key to our aesthetic, intellectual, cognitive and even spiritual satisfaction."**

# EMOTIONAL DEVELOPMENT

Emotional well-being is paramount in our approach to education. Through mindfulness practices and yoga sessions, we empower our students to cultivate inner peace, resilience, and emotional intelligence, enabling them to navigate the challenges of university life.

Our students are equipped with a sense of calm and clarity through engaging activities like:

- **Mindfulness Practices:** Learn techniques to manage stress, improve focus, and cultivate inner peace.
- **Heartfulness:** A dedicated facility designed to support the mental health and overall wellness of our students.
- **Yoga Sessions:** Enhance your physical and mental well-being, developing greater body awareness and emotional regulation.

## Benefits of Heartfulness:

- **Navigate challenges with Grace:** Equip yourself with tools to manage stress and adversity, allowing you to approach academic and personal challenges with a sense of calm and clarity.
- **Build Resilience:** Develop the inner strength and coping mechanisms to bounce back from setbacks and challenges.
- **Boost Self-awareness:** Gain a deeper understanding of your emotions and their impact on your thoughts and actions.

**“Holistic education is about cultivating a student’s capacity for learning, creativity and self-awareness.”**

# SOCIAL DEVELOPMENT

Social development is another integral aspect of our educational philosophy. Our students engage in a range of activities such as ISR activities, leadership boot camps, and industrial visits, fostering teamwork, communication skills, and a spirit of community service. Euforia, our flagship event, provides a platform for students to showcase their talents, network with industry professionals, and develop leadership qualities that are essential for success in today's interconnected world.

- **Institutional Social Responsibility (ISR) Activities:** Students immerse in real-world experiences by participating in service-oriented projects. These hands-on opportunities allow you to develop teamwork and communication skills, while making a positive impact on the community.

- **Leadership Boot Camp:** Develop your leadership potential through intensive workshops and training sessions. These boot camps equip you with the tools and confidence to become a dynamic leader, ready to navigate the challenges and opportunities of the future.

- **Industrial Visits:** Gain invaluable insights into the professional world through industry visits. Interact with industry professionals, learn about career opportunities, and expand your network, all while building communication skills and confidence.

- **Euforia, our Cultural Event:** Unleash your talent and gain valuable experience at Euforia, our annual cultural event. This platform allows you to showcase your skills, network with industry professionals, and develop crucial leadership qualities.

By participating in these diverse activities, you will:

- Strengthen your teamwork and communication skills.
- Cultivate a spirit of community service and social responsibility.
- Develop your leadership potential and gain valuable industry insights.
- Build lasting connections and friendships within our vibrant community.

**"Physical fitness is not just about the body; it's the mind and the spirit as well."**

# PHYSICAL DEVELOPMENT

Physical development is equally emphasized at PHiMSR. Through our comprehensive sports program, students have the opportunity to participate in a variety of athletic activities, promoting physical fitness, teamwork, and sportsmanship.

Experience the Difference:

- **Diverse Activities:** Engage in a wide range of sports, catering to various interests and skill levels.
- **Physical Fitness:** Develop strength, endurance, and overall health through regular participation and expert guidance.
- **Teamwork & Sportsmanship:** Learn valuable life skills like collaboration, communication, and respect within a supportive team environment.

**By investing in our comprehensive sports program, we empower students to:**

- **Discover the passion:** Explore various sports and find activities that ignite your enthusiasm.
- **Connect with like-minded individuals:** Form lasting friendships and build a strong support network through shared experiences.
- **Boost your overall well-being:** Enjoy the physical and mental benefits of regular exercise, including reduced stress, improved mental clarity, and enhanced confidence.

**“Intelligence and skills can only function at the peak of their capacity when the body is healthy and strong.”**

# EXEMPLARY PLACEMENTS

At PHiMSR, success isn't merely a destination; it's the culmination of a transformative journey. We proudly extend our heartfelt congratulations to our exceptional students for achieving remarkable placements in esteemed organizations, marking a pivotal milestone in their professional journey. This celebration is not just about our students' accomplishments but also a tribute to the unwavering commitment of our esteemed faculty and the invaluable support from our dedicated placement cell.
