Report on Advance Excel by Ekta Patil.

22nd July 2020

Pillai HOC Institute of Management Studies and Research organized an insightful workshop titled "Advanced Excel" on 22nd July 2020. The workshop was conducted from 10:00 AM to 12:30 PM, aiming to equip participants with advanced skills in utilizing Excel for data analysis and business operations.

Mr. Dhananjay Mallya, (B.Com, CA) an accomplished expert in Excel and data analysis, served as the spokesperson for the event. His extensive proficiency in Excel and practical experience provided attendees with valuable knowledge and hands-on expertise.

During the workshop, Mr. Mallya covered various advanced Excel features and functions. Participants learned how to create complex formulas, automate tasks using macros, manage large datasets, and generate insightful visualizations. The interactive nature of the workshop allowed participants to apply their learning in real-time exercises.

The success of the workshop was greatly due to Dr. Pradip Chatterjee, whose guidance and motivation played a pivotal role in organizing the event. His dedication ensured the seamless execution of the workshop, aligning with PHIMSR's commitment to providing practical and relevant skill development opportunities.

In summary, the "Advanced Excel" workshop conducted by PHIMSR was a valuable learning experience. Mr. Dhananjay Mallya's expert guidance equipped participants with advanced Excel skills essential for data-driven decision-making. The event reflected PHIMSR's dedication to empowering students and professionals with practical skills for their careers.

Report on Tally by Kiran Shinde.**

Date: 14th July 2021

Pillai HOC Institute of Management Studies and Research organized an informative workshop on "Tally - ERP 9" on 14th July 2021. The workshop took place at the Conclave 1 venue from 10:00 AM to 1:30 PM, aiming to equip participants with practical skills in using Tally software for efficient financial management.

Mr. Aditya Sontakke (CA, MBA, M.Com, M.Phil, SET, DFM, Ind AS Certification (ICAI), Ph.D) distinguished expert in accounting software and data analysis, served as the spokesperson for the event. His expertise and experience in Tally - ERP 9 provided participants with valuable insights into optimizing financial processes.

During the workshop, Mr. Sontakke guided participants through the functionalities of Tally - ERP 9. Attendees learned about ledger management, voucher entry, financial reporting, and other essential features of the software. The hands-on session allowed participants to practice and gain confidence in using Tally for accurate and streamlined financial record-keeping.

The success of the workshop was significantly influenced by Dr. Pradip Chatterjee, whose guidance and motivation played an integral role in organizing the event. His commitment ensured the seamless execution of the workshop, aligning with PHIMSR's mission to provide practical and relevant skill development opportunities.

In summary, the "Tally - ERP 9 Workshop" conducted by PHIMSR was a valuable learning experience. Mr. Aditya Sontakke expert guidance equipped participants with essential skills for efficient financial management using Tally software. The event highlighted PHIMSR's commitment to nurturing practical knowledge and proficiency.

Report on Advanced Excel by Shivam Kanu.**

21st February 2023

Pillai HOC Institute of Management Studies and Research organized an enriching workshop on "Advanced Excel" on 21st February 2023. The workshop took place at the Conclave 1 venue from 11:15 AM to 2:00 PM, aiming to equip participants with advanced skills in utilizing Excel for data analysis and business operations.

Mr Dhananjay Mallya, a distinguished expert in Excel and data analysis, served as the spokesperson for the event. His extensive proficiency in Excel and practical experience provided participants with valuable knowledge and hands-on expertise.

During the workshop, Mr Mallya covered various advanced Excel features and functions. Participants learned how to create complex formulas, automate tasks using macros, manage large datasets, and generate insightful visualizations. The interactive nature of the workshop allowed participants to apply their learning in real-time exercises.

The success of the workshop was significantly influenced by Dr. Pradip Chatterjee, whose guidance and motivation played a pivotal role in organizing the event. His commitment ensured the seamless execution of the workshop, reflecting PHIMSR's dedication to providing practical and relevant skill development opportunities.

In summary, the "Advanced Excel Workshop" conducted by PHIMSR was a valuable learning experience. Mr Dhananjay Mallya's expert guidance equipped participants with advanced Excel skills essential for data-driven decision-making. The event showcased PHIMSR's dedication to fostering practical knowledge and proficiency.

Report on the Session: Basic Excel – Bhakti Belose

From September 2023 to November 2023, the Pillai HOC Institute of Management Studies and Research, successfully conducted a comprehensive training program titled "Basics of Excel." This program was meticulously designed to equip students with foundational skills in Microsoft Excel, a critical tool for data management and analysis in the modern business world.

The program spanned 30 hours, offering a detailed exploration of Excel's functionalities. Participants were introduced to basic Excel operations, including data entry, formatting, and simple calculations, progressing to more complex tasks like data sorting, filtering, and basic formula applications. The course was structured to ensure that students, regardless of their prior experience with Excel, could develop a strong foundational understanding of this essential software.

The primary objective of the program was to provide students with the skills necessary to efficiently manage and analyze data using Excel, a key competency in various professional fields. The training aimed to enhance students' ability to organize data, perform calculations, and create visual representations of data, thereby preparing them for tasks they are likely to encounter in their academic and professional careers.

Upon successful completion of the program, students were awarded certificates, recognizing their proficiency in the basics of Excel. This certification serves as a valuable addition to their academic credentials, reflecting their readiness to handle data-related tasks with confidence.

The program was coordinated by Prof. Sheena Nair played a crucial role in organizing the sessions, ensuring that the content was relevant and up-to-date, and providing support to participants throughout the course.

The "Basics of Excel" training program was a resounding success, with students gaining valuable skills that are directly applicable to both their academic and future professional endeavors. The program not only enhanced their technical abilities but also prepared them to

approach data management tasks with greater confidence and efficiency. The certification awarded upon completion stands as a testament to dedication and newly acquired expertise.
